

'the pathway to success'

British Values at Woodhouse Community Primary School

At Woodhouse Community Primary School we ensure that principles are promoted which encourage pupils to respect the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance towards all faiths and beliefs.

Democracy

The voices of our children can be heard through our elected School Council and Eco Warriors and they present annually to our Governing Body

Our annual questionnaires enable all pupils and parents to put forward their opinions.

We use yearly elections to appoint House Captains and representatives.

Respect and Tolerance

Through RE we explore the stories and celebrations of a variety of faiths and cultures.

During PSHCE we learn how our behaviours effect our own lives and the lives of others.

We take visits to the places of worship that are important to the faiths of others.

We actively challenge pupils, parents or staff who express views opposing our British Values.

Rule of Law

All children are actively encouraged to keep the school rules and are involved in creating a Class Charter at the start of the new school year.

We regularly have visits from the police, PCSO's and the fire service to reinforce high expectations of behaviour both in school and in the community.

We understand the high expectations of our school and adopt a Restorative Approach to deal with the consequences for misguided choices in behaviour.

We are proud of our school and community and endeavour to live within the expected rules of both.

Individual Liberty

Our children are actively encouraged to make their own choices within a safe and supportive environment.

Through E-Safety lessons and regular E Safety assemblies, we explore our rights and personal freedoms when using technology.

All children are encouraged to develop independence in their learning.

Challenge and choice within a safe managed environment are key elements in our lessons.
